has a van but it has not got tax on it.	21
Tom thinks he will get the tax. If he can	31
get the next bus at ten he can get the	41
tax.	42
The bus at ten has not gone yet. Tom	51
can get the tax. He will give the tax to	61
his dad and his dad can put it on the	71
van. Then Tom can give his dad a hand	80
to fix the van.	84

Tom has a dog, Pat. Tom sends	7
his dog off on a run and tells it	16
not to get wet.	20
Oh no! The hut is a mess and Tom	29
is mad at Pat. Let's give Pat a	37
bath and try to get rid of all this	46
mess in the hut.	50
Tom will have to try to settle that	58
dog. I think Pat is a bad little dog.	67
It will come to a bad end. I think	76
that I will not have a dog at all.	85

Tom has gone off to see his pal. I	9
will come with you to see him as	17
well, Ben. You will soon get there if	25
you run. I can give you a hand up	35
the hill if it is too steep. Come on, I	44
can pull you up. There, that's not	51
too bad is it? Let's run to get there	60
soon. Tom will have gone soon and I	68
have to see him. Mum will get mad	76
if I miss him. See, there is Tom with	85
that boy. That little green hut at the	93
end of the path is his to keep things	102
in.	103

Ask that boy if he will lend you his ball for a	12
bit. I will give him this bottle of 7Up if he will	24
let us have the ball. He can keep a watch on	35
us to see that we do not run off with his ball.	47
Come on then, send the ball to me. You can	57
give it a big kick. That was not a very good	68
try was it? Run and get that if you can. I	79
have had it and want to pack it in. Let's give	90
the boy his ball back and sit on that log	100
there.	101

This was a very funny dream. There was	8
a big fat cat in it, but he was green. He	19
did not like milk. I had a big tin of cat	30
meat for him there as well, but he did	39
not like that. He wanted to eat bits of	48
wood and green grass all the time. He	56
seemed to like thick little bits of dry	64
wood. Then he let some wood drop on	72
my hand and I woke up. There was my	81
dog with her bone. I had gone to sleep at	91
the foot of the tree in the hot sun. That	101
was a funny cat, and a funny dream.	109

Did you say that you can fix my bike for	10
me? If you can I will be very pleased. You	20
see I can not get home on foot. I live far	31

There is not even a bus until five and that is	52
a long time.	55
Yes, I think it was a bit of glass that did it.	67
You can see the hole in the tube there.	76
In a little time that will be set and I can put	88
it on and ride off home. You have been very	98
good to do this for me. May I ask what your	109
name is?	111

It is a hot dry day today. The summer has	10
come at last. If I am good to Mum I may	21

me. I must ask Ben if he can come too.	40
There is not a cloud in the sky. The sun	50
looks as if it is here for ever. Come on	60
Mum, leave the cleaning up. Let me get a	69
box to put the food in. A bottle of coke to	80
drink and off I go on my bike. All I have to	92
do is call for Ben. I bet he is in bed fast	104
asleep.	105

'Get away, that's just a tall story. You won't get trout in a silly bit of water like that.'	19

My sister has a cat called Claude.	7
With a name like that it sounds as if it must be	19
a very fine cat with good manners.	26
What! Not a bit of it. That cat is a real pest. Last	39
week I saw it crawling across the lawn. When I	49
had a second look I saw it had a mouse in its	61
jaws. It was awful. It looked at me and then it	72
ran off.	74
When I next saw it, there it was sitting on the	85
lawn in the sunshine. It was blinking and	93
yawning and washing its paws. It gave me a	102
look as if to say 'What a lovely day it is for a cat	116
to sit in the sun and be good!'	125
